

Park Semper Fi Access:

For Saturday April 6, 2024 there is limited parking at the San Clemente Pier for the Semper Fi Park 2/4 plaque dedication. If there is rain that morning, the plaque dedication will be canceled. Please carpool, as we have been given the upper parking lot along Avenida Del Mar to utilize and it is not a large parking lot. If you choose to arrive early you will find many breakfast options near the San Clemente Pier. After the ceremony the GSF's will be having a lunch at the pier provided by Park Semper Fi, as the rest of the unit will join us at the San Onofre Beach for sandwiches. There will be a dinner catered by the Bastards Canteen at the Beach Club in the evening.

We have limited parking available in the Pier Bowl parking lots, and once the upper parking lot is full, we will be closing Alameda Lane to all cars. So please plan on getting there early or taking ride-share. Otherwise, parking may be available on residential streets. There is no charge for parking until after 1130. Park Semper Fi has room for 250 people. Our priority for all accommodations are GOLD STAR FAMILIES. Once they arrive and are seated, we will then open the gates for everyone else. Some of the General public may have to stand for the short Ceremony.
